

# Tosca Crystal Clear Crates

## Full visibility with clear walls

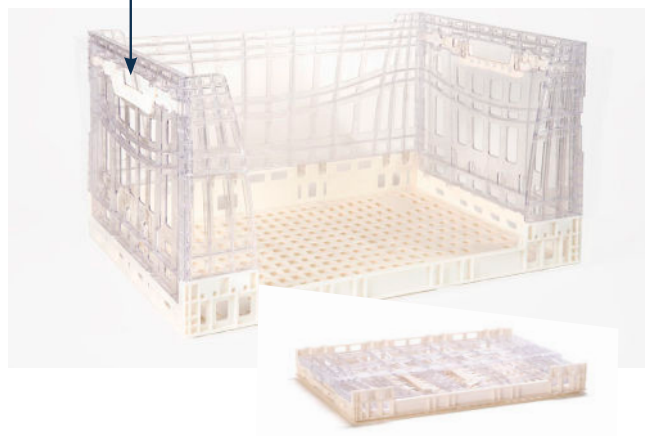

With its clean, transparent design, this RPC enhances product visibility on the shelf—helping drive sales. Its superior durability and structural integrity offer better protection during transport than corrugated alternatives.

Lightweight, retail-ready, and space-efficient, it delivers cost savings across every step of the supply chain.

## Design & Features

**Clear walls and open front** for greater product visibility and accessibility

**Foldable and stackable** to minimise transport and storage space used.

**RFID/barcode equipped** for traceability

Scan this QR to **discover more** about this product.

### Aesthetically pleasing

A simple, open look increases sales and offers more access to the product.

### Retail ready for faster merchandising

These reusable crates are designed for versatility—ideal for use on store shelves or integrated into display systems, offering maximum flexibility in merchandising.

### Save time and labour costs

Designed for ease of use with a foldable, stackable structure and ergonomic handles.

### Meet PPWR and EPR regulations with reusable crates

100% recyclable at end of life and PPWR-compliant.

### Achieve supply chain visibility with smart traceability

Track assets, reduce waste, and improve inventory control across your supply chain.
