

Tosca DIC 1210

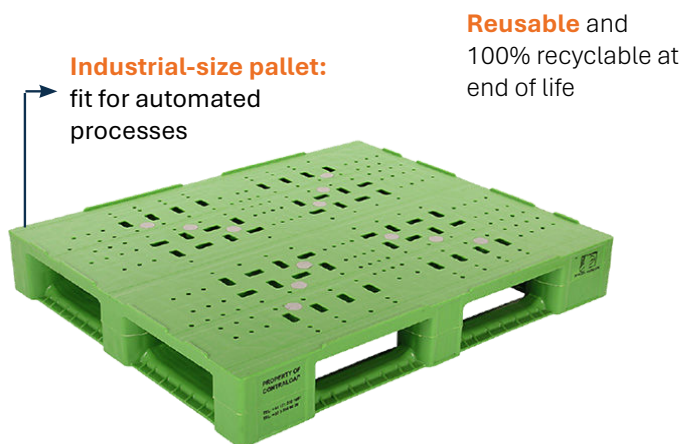

Heavy-Duty, food grade pallet

Tosca's green heavy-duty industrial-size pallet features anti-slip grommets and rims. This pallet is best used to carry heavy loads and big bags in semi-hygienic applications for a variety of industries.

With five runners, this pallet is designed for two-way use in both racking systems and on conveyor belts. The upper deck features rims and anti-slip grommets, ensuring safe stacking of empty pallets and secure transport of loads. Fully compatible with Tosca crates for seamless, efficient supply chain integration.

Design & Features

Rims and anti-slip grommets on the upper-deck allow users to safely stack empty pallets.

Maintain hygiene and product quality

Food-safe, non-porous plastic resists humidity, fungi, acids, fats, solvents, and odours to maintain quality.

Meet PPWR and EPR regulations with reusable, recyclable pallets

Reusable and 100% recyclable at end of use.

Rely on heavy-duty capability for demanding loads

Made from food-grade PP best used to carry heavy loads and large bags.

Optimise efficiency with automation-ready design

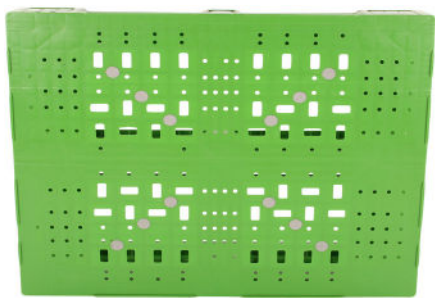

Five runners support two-way use in racks and conveyor systems, making it ideal for automated environments.

Adapt to any industry or internal logistics need

Versatile design supports a wide range of sectors and logistics applications.

Specifications

 Characteristics	
Colour	Green
Runners	5
Rims	Yes - 7 mm
Anti-slip	Yes
Metal re-inforced	No
Material	PP
Foodgrade	Yes
ISPM-15 proof	Yes
Temperature range	-20°C/+40°C

 Dimensions	
External	1200 x 1000 x 160 mm
Weight	26 kg

 Load capacity	
Max static load	6.000 kg
Max dynamic load	3.000 kg
Max in rack load *	1.500 kg

*with evenly spread loads

 Loading quantities	
Units per trailer	390 units
Stack	15 units
