

Tosca Egg Crates

Specifically designed to display and protect eggs

This RPC was created specifically for the egg industry. It provides superior strength and structural integrity to prevent product damage and reduce shrink by 50%.

The innovative SmartWall™ feature simplifies merchandising and restocking. It allows retail associates to drop the front wall with one easy touch and place the case directly onto retail shelves, reducing labor by 53% and delivering cost savings throughout the supply chain.

The retail-ready design perfectly fits one dozen egg containers.
