

Tosca H1 1208 Euro Size Food Grade Pallet

Our **H1 pallet** is the most commonly used food-grade, euro-size hygiene pallet in Europe, designed for durability and versatility. Made from food-grade HDPE, it's built for demanding industries and optimised for automated systems. Three runners ensure easy handling, while closed blocks and upper deck rims allow secure stacking and stable loads. Fully compatible with Tosca crates for seamless, efficient supply chain integration. The pallet is fully reusable, 100% recyclable, and fit for PPWR regulations.

Design & Features

Maintain hygiene and product quality

Food-safe, non-porous plastic resists humidity, fungi, acids, fats, solvents, and odours to maintain quality.

Meet sustainability regulations with reusable, recyclable pallets

Reusable and 100% recyclable at end of use.

Rely on heavy-duty capability for demanding loads

Made from food-grade HDPE for superior durability and performance.

Optimise efficiency with automation-ready design

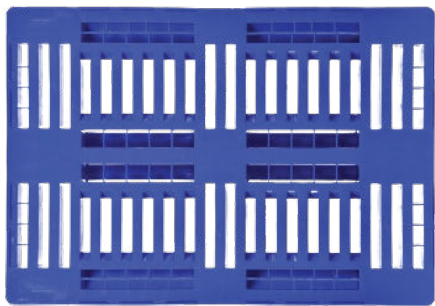

Euro-size consistency and three-runner base ensures zero disruption in automated systems.

Adapt to any industry or internal logistics need

Versatile design supports a wide range of sectors and logistics applications.

Specifications

Characteristics	
Colour	Blue
Runners	3 closed
Rims	Yes - 7 mm
Anti-slip	No
Metal re-inforced	No
Material	HDPE
Foodgrade	Yes
ISPM-15 proof	Yes
Temperature range	-20°C/+40°C

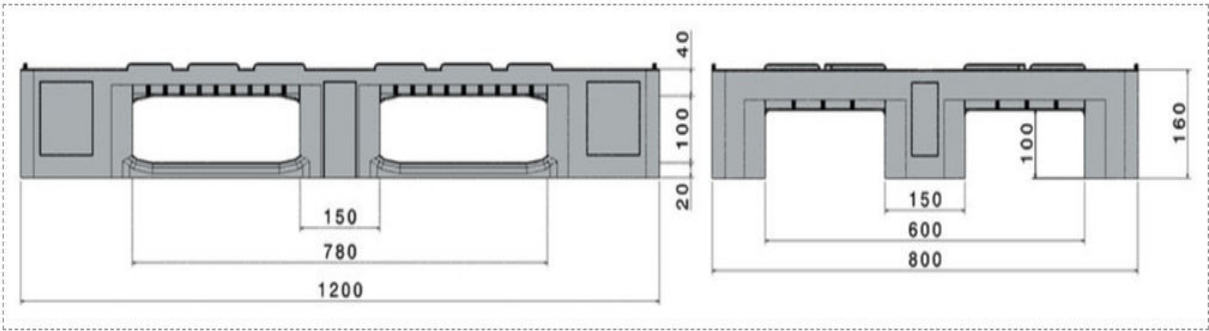

Dimensions	
External	1200 x 800 x 160 mm
Weight	18 kg

Load capacity	
Max static load	5.000 kg
Max dynamic load	1.250 kg
Max in rack load *	1.000 kg

*with evenly spread loads

Loading quantities	
Units per trailer	495 units
Stack	15 units
