

Tosca 1/2 Dolly

Move, store and display products easily

Transport, storage, and display are all easier with this compact, store-ready dolly. It moves products effortlessly through tight aisles, enabling faster, more efficient in-store replenishment.

Combined with Tosca RPCs it can also help eliminate the time and cost of merchandising as part of a unit replacing traditional shelving.

Durable, lightweight, and built to last, it's more hygienic and recyclable than competitor products.

Design & Features

Pop up system:
secures your trays and
crates.

Reusable and
100% recyclable at
end of life.

Handle connector

Brake pedal for
additional security.
