

Tosca L1 1208

Food grade Euro sized plastic pallet

The **L1 pallet**, a food-grade virgin Euro-sized HDPE pallet, has a robust, consistent design which is an exact copy of an EPAL wooden pallet's dimensions. It's fully compatible with Tosca crates for seamless, efficient supply chain integration.

Its high durability and three closed runners at the bottom offer optimal support.

Anti slip stripes on top deck in combination with anti-slip runner for smooth conveyor running and automated systems use.

These pallets are equipped with RFID technology for easy track and trace across your supply chain.

Design & Features

Euro-size pallet: fit for automated processes

Reusable and 100% recyclable at end of life

Anti-slip stripes on the top deck for load securing

Anti-slip coated runners for smooth conveyor operations

Maintain hygiene and product quality

Food-safe, non-porous plastic resists humidity, fungi, acids, fats, solvents, and odours to maintain quality.

Meet PPWR and EPR regulations with reusable, recyclable pallets

Sustainable, reusable and 100% recyclable at end of life.

Switch effortlessly - identical to EPAL wooden footprint

Our food-grade virgin Euro-sized PE pallet features a robust, consistent design with identical dimensions to the EPAL wooden pallet, making the switch seamless.

Optimise efficiency with automation-ready design

Euro size and three-runner base ensures zero disruption in automated systems.

Adapt to any industry or internal logistics need

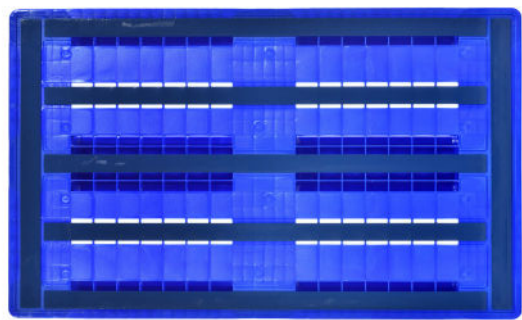

Versatile design supports a wide range of sectors and logistics applications.

Achieve supply chain visibility with smart traceability.

Track assets, reduce waste, and improve inventory control. Equipped with RFID technology

Specifications

 Characteristics	
Colour	Blue
Runners	3
Rims	No
Anti-slip	Yes
Metal re-inforced	Yes
Material	HDPE
Foodgrade	Yes
ISPM-15 proof	Yes
Temperature range	-20°C/+40°C,

 Dimensions	
External	1200 x 800 x 150 mm
Weight	20 kg

 Load capacity	
Max static load	7.500 kg
Max dynamic load	1.250 kg
Max in rack load *	1.250 kg

*with evenly spread loads

 Loading quantities	
Units per trailer	528 units
Stack	16 units
