

Tosca 1/4 Display bin 111

Shelf-ready reusable display bin

Our compact bin, perfect for display in limited spaces or with a smaller quantity of products, provides versatile storage on wheels. Retail ready, it goes seamlessly from truck to storage to display, saving time and labour.

The strong, durable construction protects products better in transport than single-use packaging, while features like the built-in rollers and optional rising floors improve efficiency in-store.

Made of high-quality polypropylene, this bin offers superior durability, hygiene and sustainability.

Design & Features

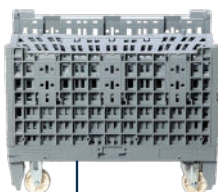

Rising floor: to maximize product visibility.

Easy access window for shopping. Customizable.

Wheeled base

Foldable and stackable to minimise transport and storage space used.

Boost sales and reduce store labour

The rising floor keeps products visible—boosting sales and cutting store labour.

Lock in freshness and protect food quality

Easy-to-clean, non-porous surface ensures hygiene, food safety, and quality.

Save time and costs with retail-ready display bins

Durable structure and active lock system protect fruit and vegetables.

Meet sustainability goals with reusable display bins

100% recyclable at end of life and PPWR-compliant.

Stackable, stable, and retail-ready display bins

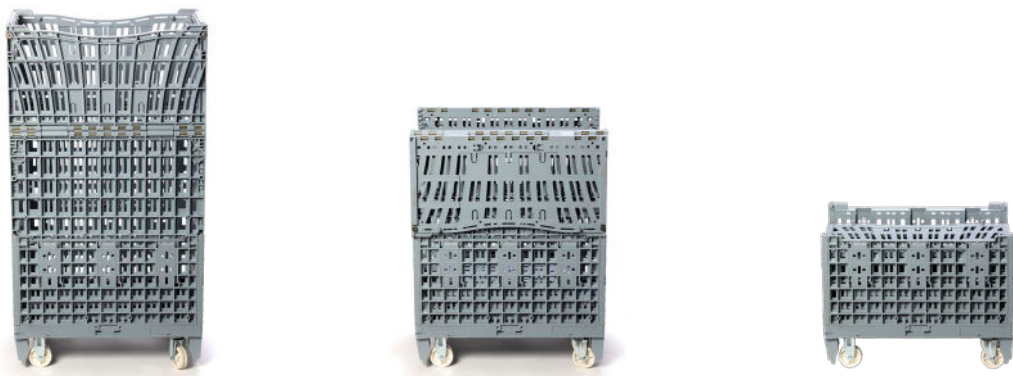

Save time and costs by going straight from truck to shop floor.

Achieve supply chain visibility with smart traceability

Track assets, reduce waste, and improve inventory control.

Specifications
