

Tosca Low Bins

Designed for fruit and vegetables

Our **Low Bins foldable containers** are crafted from durable HDPE, offering long-lasting performance and resistance to UV, infrared rays, and extreme temperatures.

Designed for efficient stacking and space-saving, their foldable structure makes storage and transport easier than ever.

Integrated RFID and barcode technology ensures accurate traceability across the supply chain.

In-store, they elevate product presentation, enhancing visual appeal and creating a cohesive, high-quality display when paired with our wood-look crates.
