

## Durable, Sustainable Packaging for Produce

Tosca's RPCs for produce increase supply chain efficiency at every turn by reducing shrink, improving handling, and reducing environmental impacts. Their durable design protects delicate produce better, enabling retailers to present higher quality produce to customers.

### Durable

Increased structural integrity protects products better and reduces waste.

### Labor Efficient

Easier to use with foldable and stackable design and ergonomic handles. Simpler re-stocking with a retail ready design.

### Sustainable

Reusable containers reduce packaging waste.
