

# Stocking Simplicity in a Sustainable Display

Designed to simplify replenishment and reduce labor in a fast-paced, crowded store environment, the Crystal Clear system pairs the aesthetically pleasing Crystal Clear crates with our 1/4 dollies. Our crates stack seamlessly on the 1/4 dolly to enable store associates to easily roll inventory onto the sales floor, eliminating stocking time while also optimizing valuable back-room storage space.

## Labor Efficient

Ideal for storage or retail display, this simple replenishment system reduces time-consuming stocking.

## Durable

Sturdy construction protects what's inside, reducing product damage.

## Aesthetically Pleasing

A simple, open look increases sales and offers more access to the product.

## Features and specifications

### Perfect for High Volume Products

Ideal for consumer packaged goods or clothing items

### Open Front

For easy access to products inside crates

### Durable and Reusable

These reusable displays replace single-use alternatives and are more sustainable

### Foldable and Stackable

Save space in your backroom and on the floor

### Dollies that roll and lock in place

Easily and securely roll display on the sales floor

### Tosca Traceability Compatible

Optional ability to track and trace products through your supply chain
