

# A Transport Bin that Doubles as a Display Unit

Featuring all-around convenience with rising floor to easily reload and dispense your products, our bins increase product visibility and sales. From transport to retail floor, these versatile bins are the perfect solution for improved efficiency.

## Product Visibility

The rising floor keeps products in view of the customer, increasing sales and reducing store labor needed to replenish stock.

## Durable

Sturdy construction protects product, reducing damage and improving your bottom line.

## More Hygienic

Made with natural bacteria-phobic and odor resistant polymers, our bins are also cleaned by our industry-leading wash process.
