

# Easy-to-see benefits of Crystal Clear Crates

The simple and unobtrusive look of a clear design helps to increase sales. These retail-ready crates simplify replenishment and offer customers easier access to products, making them a clear winner. They are easy to clean, reduce packaging waste, and make transport and storage both efficient and cost-effective.

## Aesthetically Pleasing

A simple, open look increases sales and offers more access to the product.

## Labor Efficient

These multi-use crates can be used on store shelves or as part of a display system, providing the ultimate flexibility in merchandising.

## Durable

Sturdy construction reduces product damage.
