

## Optimize your supply chain with a new Meat Crate from Tosca

Designed to transport meat, our foldable, stackable, and durable plastic crates replace traditional packaging such as corrugated boxes and rigid plastic crates, increasing value while decreasing costs. When folded, our crates take up to 80% less truck space, 1/6th the size of a standard rigid crate. Specifically engineered to protect high quality meat, with a unique solid base retains liquids while robust construction ensures product is well protected. Easy to clean, sanitary polymer resists moisture, insects, and fungi. Tosca meat crates are compatible with our Euro pallets, 1/2 Dolly and 1/4 Dolly.

### Durable

Designed and constructed for continuous reuse, recovery, and refurbishment. Can be used in up to -20°C.

### Easy-handling

Activelock secures the RPC when erected, panels fold easily and quietly with an instant lock release.

### Space-saving

Foldable and stackable to maximize truck space.
