

Deliver Safe. Display Smart.

The Tosca Egg RPCs are specially designed to transport and display eggs from farm to shelf. Enjoy peace of mind knowing your fragile cargo is protected by packaging far stronger than corrugated alternatives, proven to reduce shrink up to 75%. All Egg RPCs accommodate all carton types like pulp, foam, and PET. Eggs arrive safely and are ready for in-store display or faster, easier hand stacking.

Features and Specifications

Tosca's three reusable egg crates are engineered for efficiency and product safety. Compatible with one another, they're ideal for seamless palletizing and shipping.

6315

Designed for seamless hand stacking of commodity or specialty eggs

Speed Stack Wall for faster hand stacking

Ergonomic Handles making it easier to lift & move

Enhanced Ventilation

RPCs cool eggs six times faster than corrugated
